

Privacy Policy for Jazatunes

Last Updated: 3/12/2025

Welcome to Jazatunes , a decentralized application (dApp) hosted on the PI Network Ecosystem/Blockchain . Jazatunes is designed to provide users with access to high-quality wallpapers and ringtones. We are committed to protecting your privacy and ensuring that any personal information you share with us is handled securely and responsibly. This Privacy Policy outlines how we collect, use, store, and protect your data.

By using Jazatunes, you agree to the terms outlined in this Privacy Policy. Please read it carefully to understand our practices regarding your personal information.

1. Information We Collect

To provide you with the best experience, Jazatunes collects the following types of information:

A. Blockchain Data

- **Wallet Address** : Since Jazatunes operates on the PI Network Ecosystem/Blockchain, your wallet address is required to facilitate transactions. This is necessary for purchasing wallpapers and ringtones.
- **Transaction History** : Any transactions made through the app (e.g., purchases of wallpapers or ringtones) will be recorded on the blockchain. This information is public and immutable due to the nature of blockchain technology.

B. Device Information

- We may collect non-personal information about your device, such as your device type, operating system, and screen resolution, to optimize the delivery of wallpapers and ringtones.

C. Usage Data

- We may collect anonymized usage data, such as the number of downloads, the types of content accessed, and interactions within the app. This helps us improve the user experience and tailor our offerings.

D. Optional Information

- **Email Address** : If you choose to subscribe to newsletters or promotional updates, we may collect your email address. This is entirely optional and can be opted out of at any time.

2. How We Use Your Information

We use the information collected for the following purposes:

- **Facilitating Transactions** : To process payments and deliver purchased wallpapers and ringtones.
- **Improving User Experience** : To analyze usage patterns and enhance the functionality of the app.
- **Customer Support** : To assist you with any issues or inquiries related to your account or purchases.
- **Marketing (Optional)** : If you opt-in, we may use your email address to send you promotional offers, updates, or newsletters. You can unsubscribe at any time.

3. Data Storage and Security

A. Blockchain Data

- All transaction data, including your wallet address, is stored on the PI Network Blockchain. This data is encrypted and immutable, ensuring transparency and security.
- Please note that once data is recorded on the blockchain, it cannot be altered or deleted.

B. Centralized Data

- Any non-blockchain data (e.g., email addresses) is stored securely using industry-standard encryption methods.
- We implement strict access controls to ensure that only authorized personnel have access to your data.

C. Your Responsibility

- As a decentralized application, you are responsible for safeguarding your private keys and wallet credentials. Jazatunes does not store or have access to your private keys.

4. Third-Party Services

Jazatunes may integrate third-party services to enhance its functionality. These services may include analytics tools, payment processors, or hosting providers. While these third parties may have access to anonymized data, they are prohibited from using it for any purpose other than providing their services to us.

Please review the privacy policies of these third-party services for more information on how they handle your data.

5. Your Rights

As a user of Jazatunes, you have the following rights:

- Access : You can request access to the personal information we hold about you.
- Correction : You can request corrections to any inaccurate or incomplete data.
- Deletion : For non-blockchain data, you can request deletion of your information. However, blockchain data cannot be deleted due to the immutable nature of the blockchain.
- Opt-Out : You can opt-out of receiving promotional emails at any time by unsubscribing.

To exercise these rights, please contact us at [Insert Contact Information].

6. Children's Privacy

Jazatunes is not intended for users under the age of 13. We do not knowingly collect personal information from children. If we become aware that a child has provided us with personal information, we will take steps to delete it.

7. Changes to This Privacy Policy

We reserve the right to update or modify this Privacy Policy at any time. If we make significant changes, we will notify you through the app or via email (if provided). Your continued use of Jazatunes after such changes constitutes your acceptance of the updated policy.

8. Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy, please contact us at:

- Email : [Insert Email Address]
- Website : [Insert Website URL]

Thank you for trusting Jazatunes with your data. We are committed to ensuring that your experience with our app is both enjoyable and secure.

Note : This Privacy Policy applies specifically to Jazatunes and does not cover any third-party websites, services, or applications linked to or integrated with our platform.

Final Disclaimer : By using Jazatunes, you acknowledge that blockchain data is public and immutable. Always exercise caution when sharing sensitive information.
